

2017 Light of Hope Day

Join CASA of Solano County in the national movement to light a symbol of hope for abused and neglected children.

On April 24, 2017 at noon, light a candle, light a match, shine a flashlight, turn on a lamp (you get the idea).... and then take a selfie and post it to your social media pages and ask others to share as

we urge everyone to join in the effort to raise awareness and help prevent child abuse and neglect. Light of Hope Day focuses on the thousands of abused and neglected children who have been robbed of their innocence and the many agencies and volunteers who bring hope back into the lives of these children.
